## **We Are the Ancient Egyptians**

Step back in time to Ancient Egypt and meet some of the many people who lived, worked, and played during

that time. From a necropolis builder to a tomb robber, a brewer to an embalmer, and a slave girl to the Pharaoh himself - each one will share with you the story of their own daily life. Together, they are the Ancient Egyptians. Featuring 19 different characters from Ancient Egyptian times, as well as an introduction to the Ancient Egyptian world, a key to decoding hieroglyphics and a timeline of key events, this book provides a new angle on a classic subject, bringing the ancient world to life.

## **Ancient Egypt and Her Neighbors**

Information about clothing, transportation, food, religion, and many other aspects of life in Ancient Egypt.

## **Ancient Egypt**

Have you ever heard of hieroglyphics? Do you know what a mummy is? All these things came from ancient Egypt. More than four thousand years ago, the ancient Egyptians created tools and treasures that still shape our lives. Find out where the ancient Egyptians lived, what their lives were like, and what happened to them. Discover how they changed the world!

## **Tools and Treasures of Ancient Egypt**

This riveting narrative explores the lives of six remarkable female pharaohs, from Hatshepsut to Cleopatra--women who ruled with real power--and shines a piercing light on our own perceptions of women in power today. Female rulers are a rare phenomenon--but thousands of years ago in ancient Egypt, women reigned supreme. Regularly, repeatedly, and with impunity, queens like Hatshepsut, Nefertiti, and Cleopatra controlled the totalitarian state as power-brokers and rulers. But throughout human history, women in positions of power were more often used as political pawns in a male-dominated society. What was so special about ancient Egypt that provided women this kind of access to the highest political office? What was it about these women that allowed them to transcend patriarchal obstacles? What did Egypt gain from its liberal reliance on female leadership, and could today's world learn from its example? Celebrated Egyptologist Kara Cooney delivers a fascinating tale of female power, exploring the reasons why it has seldom been allowed through the ages, and why we should care.

## **When Women Ruled the World**

Retells nine tales of ancient Egypt, including the story of Ra rising from the waters of the Nile to create the gods of the earth, sky, and rain.

## **Ancient Egypt**

According to Egyptian mythology, when the ancient Egyptian sun god Re cried, his tears turned into honey bees upon touching the ground. For this reason, the honey bee was sacrosanct in ancient Egyptian culture. From the art depicting bees on temple walls to the usage of beeswax as a healing ointment, the honey bee was a pervasive cultural motif in ancient Egypt because of its connection to the sun god Re. Gene Kritsky delivers a concise introduction of the relationship between the honey bee and ancient Egyptian culture, through the lenses of linguistics, archeology, religion, health, and economics. Kritsky delves into ancient Egypt's multifaceted society, and traces the importance of the honey bee in everything from death rituals to trade. In doing so, Kritsky brings new evidence to light of how advanced and fascinating the ancient Egyptians were. This richly illustrated work appeals to a broad range of interests. For archeology lovers, Kritsky delves into the archeological evidence of Egyptian beekeeping and discusses newly discovered tombs, as well as evidence of manmade hives. Linguists will be fascinated by Kritsky's discussion of the first documented written evidence of the honeybee hieroglyph. And anyone interested in ancient Egypt or ancient cultures in general will be intrigued by Kritsky's treatment of the first documented beekeepers. This book

provides a unique social commentary of a community so far removed from modern humans chronologically speaking, and yet so fascinating because of the stunning advances their society made. Beekeeping is the latest evidence of how ahead of their times the Egyptians were, and the ensuing narrative is as captivating as every other aspect of ancient Egyptian culture.

## **The Tears of Re**

Tools to powerfully write about and manifest your life using the power found in the sacred sites of ancient Egypt • Reveals how to create meaning from one's life experiences and manifest new destinies through spiritual writing • Contains meditations and creative writing exercises exploring sacred themes in the Egyptian Book of the Dead and other hieroglyphic texts of ancient Egypt • Shares transformative and inspiring pieces written by those who've attended the authors' Egyptian sacred tours Within each of us is a story, a sacred story that needs to be told, of our heroic efforts and of our losses. The scribes of ancient Egypt devoted their lives to the writing of sacred stories. These technicians of the sacred were masters of hieroglyphic thinking, or heka--the proper words, in the proper sequence, with the proper intonation and the proper intent. Learning heka provided scribes with the power to invoke and create worlds through their words and thoughts. To the writer, heka is a magical way to create meaning from experience. Through heka we manifest new visions and new relationships to ourselves and to others. We can make new art filled with beauty and light. Revealing the spiritually transformative power of writing, the authors take us on a journey of self-discovery through the sacred sites of Egypt, from the Temple of Isis to the Great Pyramid of Giza. Through meditations and creative writing exercises exploring the powerful themes found in the hieroglyphic texts of ancient Egypt and the Egyptian Book of the Dead, they show how, through writing, we can live beyond the ordinary, give our dreams form, and discover who we really are and what our lives really mean. Sharing transformative and inspiring pieces written by those who've attended their Egyptian sacred tours, the authors reveal how writing your spiritual biography allows you to reconnect to the creativity and divine within, face your fears, offer gratitude for what you have, manifest new destinies, and recognize your life as part of the sacred story of Earth.

## **Invoking the Scribes of Ancient Egypt**

## **Egyptian Myths**

Presents annotated translations of papyrus writings and tomb inscriptions from the middle and late periods of ancient Egypt.

## **The Literature of Ancient Egypt**

Discusses the achievements of the ancient Egyptians in science, mathematics, astronomy, medicine, agriculture, and technology.

## **Science in Ancient Egypt**

“Elegantly designed for young fans of Ancient Egypt, this sweet ghost story of a pet’s love for its owner transcends time.” —Kirkus Reviews (starred review) Deep within this maze of stone, a creature wakes up, all alone . . . Mummy Cat prowls his pyramid home, longing for his beloved owner. As he roams the tomb, lavish murals above his head display scenes of the cat with his young Egyptian queen, creating a story-within-a-story about the events of centuries past. Hidden hieroglyphs deepen the tale and are explained in an informative author’s note. Mummy Cat is a marvel of sophisticated simplicity, infinitely engaging to examine in detail, and complete with a sweetly surprising plot twist sure to delight young cat lovers and budding Egyptologists alike. “Terrifically original.” —Publishers Weekly

## **Mummy Cat**

In 1250 B.C. the teenaged son of the Egyptian high priest sets off a series of harrowing events when he accidentally kills the sacred cat of Bubastes and, accompanied by his sister and two foreign slaves, embarks on a dangerous journey to find safe haven beyond the borders of Egypt.

## **The Cat of Bubastes**

The Book of the Dead is not a single text but a compilation of spells that the ancient Egyptians believed would assist them in the afterlife as they made their perilous journey toward the realm of the gods and the ultimate state of eternity. No two copies are identical. The spells are often accompanied by colored vignettes, which graphically show the imagined landscape of the Netherworld, the gods and demons whom the deceased will meet, and the critical “weighing of the heart”—the judgment that will determine whether the traveler will be admitted into the afterlife or condemned to destruction by the monstrous “Devourer.” With contributions from leading scholars and detailed catalog entries that interpret the spells and painted scenes, this fascinating and important book affords a greater understanding of ancient Egyptian belief systems and poignantly reveals the hopes and fears of mortal man about the “world” beyond death. The whole is beautifully illustrated with specially commissioned photographs of these exceptional papyri and an array of contextual funerary objects—painted coffins, gilded masks, amulets, jewelry, tomb figurines, and mummy trappings.

## **Journey Through the Afterlife**

The garden in Ancient Egypt can be viewed in paintings on the walls of tombs, and visualized from the results of archaeological excavations. Descriptions written by the Egyptians themselves can reveal what plants were growing in a particular place or time when roots, seeds or pollen are found.

## **The Garden in Ancient Egypt**

Travel into the past with this fascinating series. Each richly illustrated book opens up a different world, from ancient civilizations to the life among pirates. Kids will play ancient games, create pyramids, and hold

lifelike ancient objects in their hands. - 3D details, convertible envelopes, hidden flaps, thermo-ink, magic candles, and puzzles - Colorful illustrations and interesting stories

## **Ancient Egypt**

Gods and goddesses\in human, animal, and other forms\were central to the ancient Egyptian way of life. Identified with the natural world, daily living, and the afterlife, they maintained order and prevented chaos from permeating the human world. The figures documented in ancient hieroglyphics are given dimension in this absorbing volume, which examines the characteristics and significance of many of the Egyptian gods and goddesses and also looks at related topics such as ancient symbols and the influence of Egyptian mythology on other cultures and belief systems.

## **Egyptian Gods & Goddesses**

Presenting lessons proven on the firing line, creative teacher Mr. Donn and his circus dog Maxie show how to immerse students in learning ancient history and keep them coming back for more. Sections feature well-structured plans supported by reproducibles, special lessons for the computer lab (with links and handouts), and additional lessons for substitute teachers. Topics in this unit include geography; the Nile; the Double Crown and the Three Kingdoms; hieroglyphics and the Rosetta Stone; major deities; pyramids and tombs; mummification and burial practices; temples; pharaohs; nobles, viziers, and priests; soldiers, scribes, artists, and peasants; daily life; and archaeology. Grades 6-8. Revised Edition.

## **Ancient Egypt**
