Celluloid Saints

"The book is written with two goals in mind. The first is to give film viewers some background and context for evaluating what they see on screen, By and large. Hollywood is not conversant with theological issues; occasionally, movies reveal an appalling ignorance about religion. More often, however, the approach movies take is simply flat-footed and unsophisticated. Giving readers the tools they need to interpret and critique cinematic portrayals of sanctity is one goal of this book."

The Cigarette Century

The invention of mass marketing led to cigarettes being emblazoned in advertising and film, deeply tied to modern notions of glamour and sex appeal. It is hard to find a photo of Humphrey Bogart or Lauren Bacall without a cigarette. No product has been so heavily promoted or has become so deeply entrenched in American consciousness. And no product has received such sustained scientific scrutiny. The development of new medical knowledge demonstrating the dire harms of smoking ultimately shaped the evolution of evidence-based medicine. In response, the tobacco industry engineered a campaign of scientific disinformation seeking to delay, disrupt, and suppress these studies. Using a massive archive of previously secret documents, historian Allan Brandt shows how the industry pioneered these campaigns, particularly using special interest lobbying and largesse to elude regulation. But even as the cultural dominance of the cigarette has waned and consumption has fallen dramatically in the U.S., Big Tobacco remains securely positioned to expand into new global markets. The implications for the future are vast: 100 million people died of smoking-related diseases in the 20th century; in the next 100 years, we expect 1 billion deaths worldwide.

Whether he's attending a Bruce Springsteen concert the day after visiting Michael Brown's grave, or discussing public displays of affection at a Carly Rae Jepsen show, he writes with a poignancy and magnetism that resonates profoundly. In the wake of the nightclub attacks in Paris, he recalls how he sought refuge as a teenager in music, at shows, and wonders whether the next generation of young Muslims will not be afforded that opportunity now. While discussing the everyday threat to the lives of Black Americans, Abdurraqib recounts the first time he was ordered to the ground by police officers: for attempting to enter his own car. In essays that have been published by the New York Times, MTV, and Pitchfork, among

others—along with original, previously unreleased essays—Abdurraqib uses music and culture as a lens through which to view our world, so that we might better understand ourselves, and in so doing proves himself a bellwether for our times.

A spirited seven-year-old has a brisk business at her lemonade stand. Her latest customer, a bearded stranger, drains his cup and heads to his car, his mind on a boat he's restoring at a nearby lake. And the beat-up bread truck careening around the corner with its radio blaring is about to change the trajectory of both their lives. Before it's over, they'll both know there are painful reasons why crickets cry...and that miracles lurk around unexpected corners.

Enough

For more than thirty years, humankind has known how to grow enough food to end chronic hunger worldwide. Yet while the "Green Revolution" succeeded in South America and Asia, it never got to Africa.

More than 9 million people every year die of hunger, malnutrition, and related diseases every year - most of them in Africa and most of them children. More die of hunger in Africa than from AIDS and malaria combined. Now, an impending global food crisis threatens to make things worse. In the west we think of famine as a natural disaster, brought about by drought; or as the legacy of brutal dictators. But in this powerful investigative narrative, Thurow & Kilman show exactly how, in the past few decades, American, British, and European policies conspired to keep Africa hungry and unable to feed itself. As a new generation of activists work to keep famine from spreading, *Enough* is essential reading on a humanitarian issue of utmost urgency.

The Vanity Fair Diaries

Named one of the best books of 2017 by Time, People, The Guardian, Paste Magazine, The Economist, Entertainment Weekly, & Vogue Tina Brown kept delicious daily diaries throughout her eight spectacular years as editor-in-chief of Vanity Fair. Today they provide an incendiary portrait of the flash and dash and power brokering of the Excessive Eighties in New York and Hollywood. The Vanity Fair Diaries is the story of an Englishwoman barely out of her twenties who arrives in New York City with a dream. Summoned from London in hopes that she can save Condé Nast's troubled new flagship Vanity Fair, Tina Brown is immediately plunged into the maelstrom of the competitive New York media world and the backstabbing rivalries at the court of the planet's slickest, most glamour-focused magazine company. She survives the politics, the intrigue, and the attempts to derail her by a simple stratagem: succeeding. In the face of rampant skepticism, she triumphantly reinvents a failing magazine. Here are the inside stories of Vanity Fair scoops and covers that sold millions—the Reagan kiss, the meltdown of Princess Diana's marriage to Prince Charles, the sensational Annie Leibovitz cover of a gloriously pregnant, naked Demi Moore. In the diary's cinematic pages, the drama, the comedy, and the struggle of running an "it" magazine come to life. Brown's Vanity Fair Diaries is also a woman's journey, of making a home in a new country and of the deep bonds with her husband, their prematurely born son, and their daughter. Astute, open-hearted, often riotously funny, Tina Brown's *The Vanity Fair Diaries* is a compulsively fascinating and intimate chronicle of a woman's life in a glittering era.

Hangmen

I'm just as good as bloody Pierrepont. In his small pub in Oldham, Harry is something of a local celebrity. But what's the second-best hangman in England to do on the day they've abolished hanging? Amongst the cub reporters and sycophantic pub regulars, dying to hear Harry's reaction to the news, a peculiar stranger lurks, with a very different motive for his visit. Don't worry. I may have my quirks but I'm not an animal. Or am I? One for the courts to discuss. Martin McDonagh's *Hangmen* premiered at the Royal Court Theatre, London, in September 2015.

Red Notice

Freezing Order, the follow-up to *Red Notice*, is available now! “[*Red Notice*] does for investing in Russia and the former Soviet Union what *Liar’s Poker* did for our understanding of Salomon Brothers, Wall Street, and the mortgage-backed securities business in the 1980s. Browder’s business saga meshes well with the story of corruption and murder in Vladimir Putin’s Russia, making *Red Notice* an early candidate for any list of the year’s best books” (*Fortune*). “Part John Grisham-like thriller, part business and political memoir.” —*The New York Times* This is a story about an accidental activist. Bill Browder started out his adult life as the Wall Street maverick whose instincts led him to Russia just after the breakup of the Soviet Union, where he made his fortune. Along the way he exposed corruption, and when he did, he barely escaped with his life. His Russian lawyer Sergei Magnitsky wasn’t so lucky: he ended up in jail, where he was tortured to death. That changed Browder forever. He saw the murderous heart of the Putin regime and has spent the last half decade on a campaign to expose it. Because of that, he became Putin’s number one enemy, especially after Browder succeeded in having a law passed in the United States—The Magnitsky Act—that punishes a list of Russians implicated in the lawyer’s murder. Putin famously retaliated with a law that bans Americans from adopting Russian orphans. A financial caper, a crime thriller, and a political crusade, *Red Notice* is the story of one man taking on overpowering odds to change the world, and also the story of how, without intending to, he found meaning in his life.

The Cripple Of Inishmaan

“Mr McDonagh is destined to be one of the theatrical luminaries of the 21st century\” (*The New Republic*) In 1934, the people of Inishmaan learn that the Hollywood director Robert Flaherty is coming to the neighbouring island to film his documentary *Man of Aran*. No one is more excited than Cripple Billy, an unloved boy whose chief occupation has been gazing at cows and yearning for a girl who wants no part of him. For Billy is determined to cross the sea and audition for the Yank. And as news of his audacity ripples through his rumour-starved community, *The Cripple of Inishmaan* becomes a merciless portrayal of a world so comically cramped and mean-spirited that hope is an affront to its order. With this bleak yet uproariously funny play, Martin McDonagh fulfills the promise of his award-winning *The Beauty Queen of Leenane* while confirming his place in a tradition that extends from Synge to O’Casey and Brendan Behan.

The Lonesome West

The Lonesome West was first presented as a Druid Theatre company and Royal Court co-production in the summer of 1997. ‘The play combines manic energy and physical violence in a way that is both hilarious and viscerally exciting’ *Daily Telegraph* Valene and Coleman, two brothers living alone in their father's house after his recent death, find it impossible to exist without massive and violent disputes over the most mundane and innocent of topics. Only father Welsh, the local young priest, is prepared to try to reconcile the two before their petty squabbings spiral into vicious and bloody carnage.

Bad Man

From Dathan Auerbach, the author of the horror sensation *Penpal*, a hauntingly dark novel about a young boy

who goes missing, and the brother who won't stop looking for him. Eric disappeared when he was three years old. Ben looked away for only a second at the grocery store, but that was all it took. His brother was gone. Vanished into the sticky air of the Florida Panhandle. Five years later, Ben is still looking for his brother. Still searching, while his stepmother sits and waits and whispers for Eric, refusing to leave the house that Ben's father can no longer afford. Now twenty and desperate for work, Ben takes a job on the night stock crew at the only place that will have him: the store that blinked Eric out of existence. Ben can feel there's something wrong there. With the people. With his boss. With the graffitied baler that shudders and groans and beckons. But he's in the right place. He knows the store has much to show him, so he keeps searching. Except Ben misses the most important thing of all. That he should have stopped looking.

Three Billboards Outside Ebbing, Missouri

After months pass without a culprit in her daughter's murder case, Mildred Hayes pays for three signs challenging the authority of William Willoughby, the town's revered chief of police. When his second-in-command, Officer Dixon, a mother's boy with a penchant for violence, gets involved, the battle between Mildred and Ebbing's law enforcement threatens to engulf the town. *Three Billboards Outside Ebbing, Missouri* is a darkly comedic drama from Martin McDonagh. The film won Best Motion Picture - Drama and Best Screenplay at the Golden Globes 2018, and Best Film and Best Original Screenplay at 2018 BAFTAs.

A Concise History of Modern India

In a second edition of their successful *Concise History of Modern India*, Barbara Metcalf and Thomas Metcalf explore India's modern history afresh and update the events of the last decade. These include the takeover of Congress from the seemingly entrenched Hindu nationalist party in 2004, India's huge advances in technology and the country's new role as a major player in world affairs. From the days of the Mughals, through the British Empire, and into Independence, the country has been transformed by its institutional structures. It is these institutions which have helped bring about the social, cultural and economic changes that have taken place over the last half century and paved the way for the modern success story. Despite these advances, poverty, social inequality and religious division still fester. In response to these dilemmas, the book grapples with questions of caste and religious identity, and the nature of the Indian nation.

The Body Snatcher's Wife

Barbra Reifel, former wife of notorious *Body Snatcher* Michael Mastromarino, has appeared on Oprah, Nancy Grace, ID Discovery, and Lifetime. Never before has her raw account been laid so bare. Fairytale shattered, deceit and danger beyond her wildest nightmares, betrayal, addiction, abuse, ultimate crime, and utter destruction beyond reason—her riveting story is one of so many. To survive, protect her children and family, and combat the monster who was her husband, Barbra evolved...a dreamer turned badass, playing his game to the bittersweet end.

Situationist International Anthology

The *Situationist International Anthology* is the most comprehensive and accurately translated collection of situationist writings in English. In 1957 a few European avant-garde groups came together to form the Situationist International. Picking up where the dadaists and surrealists had left off, the situationists challenged people's passive conditioning with carefully calculated scandals and the playful tactic of *détournement* ("rerouting, hijacking"). Seeking a more extreme social revolution than was dreamed of by most leftists, they developed an incisive critique of the global spectacle-commodity system and of its "Communist" pseudo-opposition, and their new methods of agitation helped trigger the May 1968 revolt in France. Since then situationist theories and tactics have continued to inspire radical currents all over the world. This volume presents a rich variety of articles, leaflets, graffiti, and internal documents, ranging from experiments in "psychogeography" to lucid analyses of the Watts riot, the Vietnam War, the Prague Spring,

the Chinese Cultural Revolution, and other crises and upheavals of the sixties. For this new edition all the translations have been fine-tuned and the bibliography has been updated to include comments on dozens of newer books by and about the situationists.

Spike Lee's America

Spike Lee has directed, written, produced, and acted in dozens of films that present an expansive, nuanced, proudly opinionated, and richly multifaceted portrait of American society. As the only African-American filmmaker ever to establish a world-class career, Lee has paid acute attention to the experiences of racial and ethnic minorities. But white men and women also play important roles in his movies, and his interest in class, race, and urban life hasn't prevented his films from ranging over broad swaths of the American scene in stories as diverse as the audiences who view them. His defining trait is a willingness to raise hard questions about contemporary America without pretending to have easy answers; his pictures are designed to challenge and provoke us, not ease our minds or pacify our emotions. The opening words of his 1989 masterpiece *Do the Right Thing* present his core message in two emphatic syllables: "Wake up!" Spike Lee's *America* is a vibrant and provocative engagement not only with the work of a great filmmaker, but also with American society and politics.

Awake in the Dark

A collection of greatest film reviews from a critic who "understands how to pop the hood of a movie and tell us how it runs" (Steven Spielberg). Pulitzer Prize-winning film critic Roger Ebert wrote movie reviews for the *Chicago Sun-Times* for over forty years. His wide knowledge, keen judgment, and sharp sense of humor made him America's most celebrated film critic—the only one to have a star dedicated to him on the Hollywood Walk of Fame. His hit TV show, *At the Movies*, made "two thumbs up" a coveted hallmark in the industry. From *The Godfather* to *GoodFellas*, from *Cries and Whispers* to *Crash*, the reviews in *Awake in the Dark* span some of the most exceptional periods in film history, from the dramatic rise of rebel Hollywood and the heyday of the auteur, to the triumph of blockbuster films such as *Star Wars* and *Raiders of the Lost Ark*, to the indie revolution. The extraordinary interviews included capture Ebert engaging with such influential directors as Martin Scorsese, Steven Spielberg, Woody Allen, Robert Altman, Werner Herzog, and Ingmar Bergman, as well respected actors as diverse as Robert Mitchum, James Stewart, Warren Beatty, and Meryl Streep. Also gathered here are some of his most admired essays, among them a moving appreciation of John Cassavetes and a loving tribute to the virtues of black-and-white films. A treasure trove for film buffs, *Awake in the Dark* is a compulsively readable chronicle of film since the late 1960s. "[Ebert] has a keen understanding of the way [movies] work." —Martin Scorsese "[Ebert's] criticism shows a nearly unequalled grasp of film history and technique." —A.O. Scott, *New York Times*

That's All Folks?

The inspiration for Chloé Zhao's celebrated film starring Frances McDormand, winner of the Academy Awards for Best Picture, Best Director, and Best Actress March and April pick for the PBS Newshour-New York Times "Now Read This" Book Club New York Times bestseller "People who thought the 2008 financial collapse was over a long time ago need to meet the people Jessica Bruder got to know in this scorching, beautifully written, vivid, disturbing (and occasionally wryly funny) book." —Rebecca Solnit From the beet fields of North Dakota to the National Forest campgrounds of California to Amazon's CamperForce program in Texas, employers have discovered a new, low-cost labor pool, made up largely of transient older Americans. Finding that social security comes up short, often underwater on mortgages, these

invisible casualties of the Great Recession have taken to the road by the tens of thousands in late-model RVs, travel trailers, and vans, forming a growing community of nomads. On frequently traveled routes between seasonal jobs, Jessica Bruder meets people from all walks of life: a former professor, a McDonald's vice president, a minister, a college administrator, and a motorcycle cop, among many others—including her irrepressible protagonist, a onetime cocktail waitress, Home Depot clerk, and general contractor named Linda May. In a secondhand vehicle she christens "Van Halen," Bruder hits the road to get to know her subjects more intimately. Accompanying Linda May and others from campground toilet cleaning to warehouse product scanning to desert reunions, then moving on to the dangerous work of beet harvesting, Bruder tells a compelling, eye-opening tale of the dark underbelly of the American economy—one that foreshadows the precarious future that may await many more of us. At the same time, she celebrates the exceptional resilience and creativity of these quintessential Americans who have given up ordinary rootedness to survive. Like Linda May, who dreams of finding land on which to build her own sustainable "Earthship" home, they have not given up hope.

Cormac McCarthy both embodies and redefines the notion of the artist as outsider. His fiction draws on recognizable American themes and employs dense philosophical and theological subtexts, challenging readers by depicting the familiar as inscrutably foreign. The essays in this Companion offer a sophisticated yet concise introduction to McCarthy's difficult and provocative work. The contributors, an international team of McCarthy scholars, analyze some of the most well-known and commonly taught novels - *Outer Dark*, *Blood Meridian*, *All the Pretty Horses* and *The Road* - while providing detailed treatments of McCarthy's work in cinema, including the many adaptations of his novels to film. Designed for scholars, teachers and general readers, and complete with a chronology and bibliography for further reading, this Companion is an essential reference for anyone interested in gaining a deeper understanding of one of America's most celebrated living novelists.

Here readers will find never-revealed stories behind the casting of the dozens of great sitcoms he directed, as well as details as to how these memorable shows were created, how they got on the air, and how the cast and crew continued to develop and grow. Burrows also examines his own challenges, career victories, and defeats, and provides advice for aspiring directors, writers, and actors. All this from the man who helped launch the careers of Ted Danson, Kelsey Grammer, Woody Harrelson, Jennifer Aniston, Debra Messing, and Melissa McCarthy, to name a few. Burrows talks fondly about the inspiration he found during his childhood and young adult years, including his father, legendary playwright and Broadway director Abe Burrows. From there he goes on to explain his rigorous work ethic, forged in his early years in theater, where he did everything from stage managing to building sets to, finally, directing. Transitioning to television, Burrows locked into a coveted job with The Mary Tyler Moore Show, where he first observed and then started to apply his craft. Directing most of the episodes of Taxi came next, where he worked closely with writers/producers Glen and Les Charles. The three formed a remarkable creative partnership that helped Burrows achieve his much sought-after goal of ownership and agency over a project, which came with the creating and directing of the seminal and beloved hit Cheers. Burrows has directed more than seventy-five pilots that have gone to series and over a thousand episodes, more than any other director in history. Directed by James Burrows is a heart-and-soul master class in sitcom, revealing what it truly takes to get a laugh.
